

# The Soul Winner's Covenant

**I** am committed to being a wise soul winner. It is my desire to win at least one committed soul to the Lord, Jesus Christ, every year of my life for the rest of my life.

I believe that it is the will of God that none should perish and that all should come to repentance and the knowledge of the truth. I am thankful that God so loved me, that he gave his only begotten son, and because I believe on him I no longer have to perish. I know I have eternal life. (1 John 5:13)

Jesus laid down his life for me so that I could experience his love in a real way and now I am committed to laying down my life for the brethren.

## Preparation

- \* I will make praying for souls a daily priority.
- \* I will deny my flesh on a regular basis in order to break the bonds of wickedness in the lives of others so that they might see the truth.
- \* I am committed to learning the word of God, relative to soul winning, so that I might be apt to teach, having an answer for every man concerning the hope that is in me.
- \* I will keep tracts, invitations, and other materials available to distribute, by leading of the Holy Spirit, so that the gospel might be published throughout the earth.

## Presentation

- \* I will learn strategies and arrange encounters that are conducive to sharing the gospel.
- \* I will invite hungry souls to church, meetings, and gatherings that will expose them to the saving grace of Jesus.

## Preservation

- \* When souls are saved, I will follow through with them, imparting myself that they may be fruit that remains.
- \* I will encourage new converts to be baptized (spirit, soul, and body) and aid in any way necessary in the process.
- \* I will encourage new converts to become active members of a local congregation - preferably the one I attend.
- \* I will encourage new converts to commit to this wise soul winners army.
- \* I will celebrate the conversion of all new souls, privately and publicly as often as possible.

These things I will do, not in my own strength, but by the grace of God, in the sincere desire that the will of God be done in the earth.
